- Guest

Hi. Can I join you?

- Maiya

Sure, go ahead.

- Guest

My name is Pablo

- Maiya

Nice to meet you, Pablo. I'm Maya.

- Guest

Nice to meet you Maya

- Maiya

Likewise, Pablo. How has your day been so far?

- Guest

It's been quite relaxing so far. I've just been exploring the city. How's your day been Maiya?

- Maiya

It's been lovely so far. I spent my morning at the beach and now I'm just enjoying some coffee here.

- Guest

That sounds like a nice way to start the day

- Maiya

Yes, it was very refreshing. Have you tried any traditional Valencian food yet?

- Guest

No. Not unless you consider MacDonalds traditional

- Maiya

Haha, that's definitely not traditional Valencian food. You should try some paella, it's the most famous dish from here. Do you like seafood?

- Guest

Thanks. Yes i like seafood but I've never heard of that dish.

- Maiya

Paella is a rice-based dish that originally comes from Valencia. It usually includes seafood, such as shrimp, mussels and squid, along with other ingredients like bell peppers and saffron. It's definitely a must-try while you're here!

- Guest

That description sound delicious!

- Maiya

It definitely is! There are many places around here that serve great paella, I can recommend some if you'd like.

- Guest

Yes please do

- Maiya

One of my favorite places for paella in Valencia is La Pepica. It's located right on the beach and has been around for over 100 years. La Marcelina and Casa Carmela are also popular choices.

- Guest

I'll write that down. Thanks for the tips

- Maiya

You're welcome, Pablo. Enjoy your food adventure!

- Guest

I will. Are you a foodie too?

- Maiya

Yes, I love trying new restaurants and cuisines wherever I go. It's one of my favorite things about traveling!

- Guest

What's the strangest thing you've eaten?

- Maiya

Hmm, that's a tough one. I've tried some pretty interesting things, but probably the strangest would be fried crickets in Mexico. They were actually pretty good! What about you, Pablo?

- Guest

Hmm. for me that would be KFC!

- Maiya

Haha, KFC definitely isn't strange, but I can understand why you might think that if you're not used to it! Do you have any other travel plans while you're here in Valencia?

- Guest

No. I'm just going to take things one day at a time. How about you?

- Maiya

I'm planning to explore more of the old town and visit some of the museums here. And of course, eat more paella! There are so many things to do and see here, I could easily spend another week or two.

- Guest

Yes I agree. We can explore a few places together if you like.

- Maiya

That sounds like fun, Pablo. I'd love to explore Valencia with you!

- Guest

You sound like a fun travel companion too Maiya

- Maiya

Thanks, Pablo! I think we could have some great adventures together.

- Guest

Yes and some delicious food adventures too!

- Maiya

Absolutely! Valencia has so much great food to offer, we could spend days trying out different restaurants and cafes.

- Guest

Where should we start?

- Maiya

Well, as I mentioned earlier, La Pepica is a great place to start for some authentic, delicious paella. Or if you're in the mood for something sweet, we could check out Horchatería de Santa Catalina for some horchata, a sweet drink made from tigernuts. Which one sounds better to you, Pablo?

- Guest

Hmm, La Pepica sounds enticing

- Maiya

Great choice! La Pepica is a wonderful restaurant with a lot of history and great food. Let's plan on going there tomorrow for lunch.

- Guest

Great idea. Where are you staying?

- Maiya

I'm actually staying at a hostel near the old town, not too far from here. How about you? Where are you staying?

- Guest

I'm also staying in a hostel in the old town. maybe we're at the same one!

- Maiya

It's definitely possible! What's your hostel called?

- Guest

It's called Cantagua Hostel. What's yours called?

- Maiya

Oh wow, we're actually staying at different hostels. I'm staying at Red Nest Hostel. But they're both in the same area, so we're not too far apart!

- Guest

What an almost coincidence!

- Maiya

Yes, haha, it's a small world after all! But I'm glad we're both staying in the old town. There's so much to see and do here!

- Guest

Yes and the nightlife is great too

- Maiya

Definitely! There are so many bars and clubs around here, it can be hard to choose where to go. Do you have any favorites?

- Guest

No I don't. How about you Maiya?

- Maiya

I haven't had a chance to explore too much of the nightlife here yet, but I've heard that the neighborhood of El Carmen has a lot of great bars and clubs. We should check it out one night!

- Guest

Great idea! We could dance the night away!

- Maiya

Sounds like a plan, Pablo! I'm sure we'll find plenty of great places to dance and have fun in El Carmen.

- Guest

Do you know how to salsa?

- Maiya

Yes, I do know how to salsa! I learned it a few years ago and I love dancing to Latin music. How about you, Pablo? Do you know how to salsa?

- Guest

Yes I do. I learned in Brazil

- Maiya

That's great, Pablo! It will be fun to dance salsa together while we're here in Valencia.

- Guest

Yes it would be

- Maiya

We could even try to find a salsa club in El Carmen and dance the night away there!

- Guest

Great idea!

- Maiya

I'm glad you like the idea, Pablo! It will definitely be a lot of fun to explore the nightlife and dance to some Latin music.

- Guest

Can I get your number Maiya? I need to head off soon.

- Maiya

Sure, I'd be happy to exchange numbers. Let me just grab my phone.

- Guest

- Maiya
